The Awards Program for Every Architect

by Architizer Editors

The fifth annual A+Awards is not about throwing the spotlight on Starchitects, Pritzker Prize winners or gigantic, multinational, corporate firms. It is designed to recognize the unsung heroes of the profession — the hardworking individuals that successfully navigate the long journey from concept to construction on a daily basis. No matter how big or small your firm is, this is your chance to have your work showcased on a global stage to design enthusiasts, the media and architectural experts alike.
